

FIELD TASK MANAGEMENT PLATFORM

## “ TaskEye

Actually, work productivity is the key to success in any business. TaskEye gives the opportunity to access task and to-do list at any time, from anywhere. In short, it becomes your task manager and helps to manage work in real time.

### Visit Management

Schedule visits and record visit outcomes from field locations

### Location Tracking

Knowing where your field staffs are, is easier now with TaskEye

### Expense Reimbursement Workflow

Simplified expense recording with transparent approval & disbursement!

### Customer Address Management

“Drop a Pin” to mark and save the places that you visit.

### Attendance Management

Your Field Force can report to work from anywhere on the field

### Activity Report Logging

Report the meeting summary to team members and managers in real-time.
